

Bumper Balls/Bubble Soccer Rules / Set up

- Ages: 8 and up
- Recommended Height: 4.5' – 6'
- Recommended Weight: 60lbs – 200lbs
- Fly Times will blow up and deflate the bumper balls when whenever possible.
- Do not over inflate the balls they should be firm but not hard.
- Bumper balls should be deflated to be moved from location to location
- A responsible adult must supervise children at all times while in the bumper balls
- Straps inside can be buckled/ or not depending on the users preference.
- Extra caution to be used when children are not using a bumper ball but are near a person in the bumper ball, they can get bumped and knocked over very easily.
- Jewelry and glasses should be removed while in the bumper balls
- No food or drinks to be consumed while in the bumper balls to avoid both mess and possibility of choking.
- No face paints, party poppers, coloured streamers or silly string as these make a terrible mess and can also stain the balls for which you will be liable for payment to clean or repair.
- No smoking, fires or barbeques to be used in or near the bumper balls
- If the inflatable fails for whatever reason, evacuate immediately to prevent injury.
- Please remember if the bumper balls are dirty or damaged beyond normal wear and tear when collected the hirer is liable for the full repair or cleaning costs.
